### Application – The Great Reset

The single most significant philosophy impacting US and Global politics today is the World Economic Forum’s Great Reset. The Great Reset is an effort to setup a global totalitarian government having no nation states, no borders, a one world government where the masses own nothing and all aspects of life will be controlled by the global elites who will have dictatorial powers over your life. The WEF has spent decades placing thousands of their global young leader graduates throughout the world in high level positions in government, industry, education, judiciary, entertainment, religion, media, and bureaucracies. A list of their graduates includes (Bill Gates, Jeff Bezos, Justin Trudeau, Gavin Newsom, Pete Buttigieg, Vladimir Putin, Emmanuel Macron, Angela Merkel, Tony Blair, Jack Ma, Mark Zuckerberg, Larry Fink, Tom Cotton, Dan Crenshaw, to name a few)

God passed judgement on the one world government long ago when the whole earth's population spoke one language, settled on the plains of Shinar and began building the tower of Babel to reach heaven. Genesis 11: 7-8 *"Come, let Us go down and confuse their language that they may not understand one another's speech. So the LORD scattered them abroad from there over the face of all the earth, and they ceased building the city."* God's final judgement on earth will be ushered in when the Antichrist's one world government will be judged during the Great Tribulation. This time is described in Matthew 24:21-22 *"For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. And unless those days were shortened, no flesh would be saved; but for the elect's sake those days will be shortened."* Are we ready for the Great Reset? If not, we better become much more discerning and discriminating in who we place in local, state and federal executive, legislative and judicial positions.

## **PRAYER IDEAS**

1. Pray that we would endorse, support and vote for executive, legislative and judicial candidates that would faithfully support God's word.
2. Pray that we would invest the time to look at the fruits (voting record, actions, proposals, and speech) of our local, state and federal officials and judges.
3. Pray that Christians would show up in mass for primary and general elections and cast their vote based on God's word, not political affiliations and worldly philosophies.
4. Pray that we would seek Gods face by immersing ourselves in God's word and that we would put on the full armor of God and be prepared to defend our faith and stand against the forces of evil.
5. Pray that God would open the eyes of millions more people who would also see and resist the evil of our current times.
6. Pray that our churches would wake up and aggressively speak scripture and truth in the public forum.
7. Pray that God would bring about a great revival in us, our families, Conroe, Montgomery County, Texas, the United States and the whole world.
