The history of the “Appeal to Heaven” flag is significant as it had flown over our nation at its birthing. It was not the stars and stripes, but this flag commissioned by our first president, George Washington, before the signing of the Declaration of Independence. Fast forward to 2024, when a lower court does not give you justice, you appeal your case to a higher court, and ultimately to the Supreme Court. **But what if the Supreme Court does not give you justice? You appeal to Heaven!**

❑ WHAT WE DO...

- Monitor current events at the county, state, national, and global levels through the lens of Scripture with a focus on social, moral, and political issues; elections; public education; legislation; and public policy landscape.
- Our goal is to discern the truth in a world full of misinformation to educate, equip, alert, and activate Christians to have a godly influence on our society starting at the local level.

❑ WHY WE DO IT...

America is in a spiritual war for revival and the saving of our nation requires strategic ACTION to effectively fight the many battles including banning electronic election equipment, closing the open borders, protecting the children, and stopping medical tyranny to name a few.

What's the Primary Problem with Texas? The Primary Election!

Source: The Texas Tribune March 2022

Most Texas voters do not participate in primary elections. Just over 25% of registered voters in Texas cast a ballot in the 2020 presidential primary election.

Comment: The sad reality is the voter turnout in Texas is pathetic. In 2020, a year when voters were motivated by a crucial presidential race, only a quarter of the registered voters showed up for either the Democratic or Republican primary. Most of us — about 75% — didn't vote.

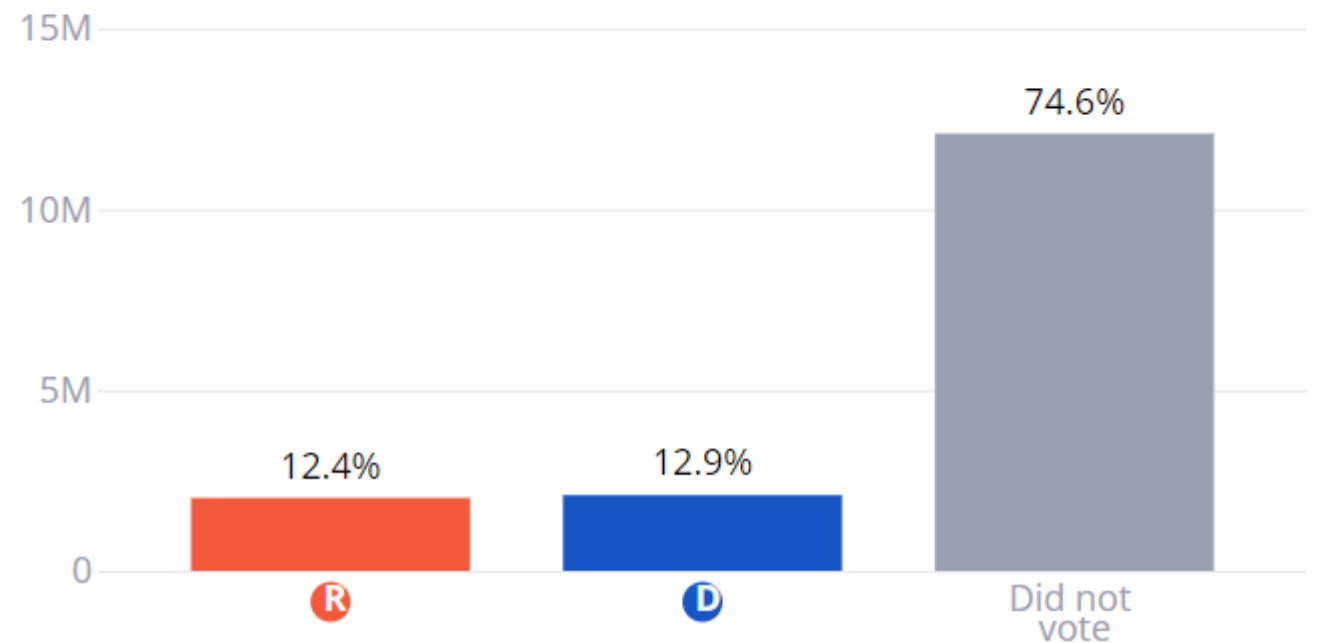

According to *My Faith Votes*, a nonpartisan organization that mobilizes people of faith to vote in local, state, and national elections, an estimated 25 million Christians do not vote in presidential elections.

Just imagine the impact if 100% of the Christian voter bloc were registered to vote AND turned out to vote in 2024 starting with the March 5th Presidential Primary Election! We can do this! We must do this!
