Bible Versus

1 Samuel 3:11-14 Then the LORD said to Samuel: “Behold I will do something in Israel at which both ears of everyone who hears it will tingle. In that day I will perform against Eli all that I have spoken concerning his house, from beginning to end. For I have told him that *I will judge his house forever for the iniquity which he knows, because his sons made themselves vile, and he did not restrain them.* And therefore, I have sworn to the house of Eli that the iniquity of Eli’s house shall not be atoned for by sacrifice or offering forever”

Numbers 25: 7-13 Now when Phinehas the son of Eleazar, the son of Aaron the priest, saw it he rose from among the congregation and took a javelin in his hand; and he went after the man of Israel into the tent and trust both of them through, the man of Israel and the (Midianite) woman through her body. So, the plague was stopped among the children of Israel. And those who died in the plague were twenty-four thousand. Then the LORD spoke to Moses, saying; “Phinehas the son of Eleazar, the son of Aaron the priest, has turned back My wrath from the children of Israel, because he was zealous with My zeal among them, so that I did not consume the children of Israel in My zeal. Therefore say, Behold, I give to him My covenant of peace; and it shall be to him and his descendants after him a covenant of an everlasting priesthood, because he was zealous for his God...”

Revelation 3:14-16 And to the angel of the church of Laodiceans write, ... I know your works, that you are neither cold nor hot. So then, because you are lukewarm, and neither cold nor hot I will vomit you out of My mouth.

Commentary – Where are we on God’s spectrum

Questions to ask ourselves

1. How did we allow evil to get such a strong grip on America, its culture, and institutions?
2. Where would you place America on the cold/hot spectrum?
3. Where would you place yourself on the cold/hot spectrum and is that where you want to be?
4. What actions can we take to move ourselves/America closer to the hot side of the spectrum?
